

KAMELIA SALAMEH QUMSIEH

Amman, Jordan | +962 79 125 0207 | kmy2212189@ju.edu.jo

PROFESSIONAL SUMMARY

Highly motivated Computer Engineering student (GPA: 3.75/4.0) with strong experience in backend development, object-oriented programming, and scalable systems design. Currently working as a Java Developer Intern, building real-world applications and expanding skills in HTML, CSS, JavaScript, and PrimeFaces. Passionate about developing efficient, scalable software and solving real-world problems in fast-paced environments.

TECHNICAL SKILLS

Programming: Java, C#, Python, C, Assembly

Web: HTML, CSS, JavaScript, PrimeFaces

Frameworks: ASP.NET MVC

Concepts: OOP, Data Structures, Algorithms, Clean Code

Tools: Git, GitHub, Debugging, UML

EDUCATION

University of Jordan — B.Sc. Computer Engineering (GPA: 3.75/4.0)

PROFESSIONAL EXPERIENCE

Java Developer Intern — ZEVA (Feb 2026 – Present)

- Develop backend features using Java following OOP principles
- Build web interfaces using HTML, CSS, JavaScript, and PrimeFaces
- Apply clean code practices to improve maintainability and scalability
- Collaborate with team members to implement business requirements
- Debug and optimize application performance

PROJECTS

Multiplayer Guessing Game — Java, TCP/IP, Multithreading

- Designed multi-client client-server system supporting concurrent users
- Implemented real-time communication using TCP sockets

School Management System — UML, OOP

- Designed system architecture using UML diagrams
- Applied OOP principles to model real-world entities

LEADERSHIP

Captain — Palestinian National Basketball Team (12 years)

- Demonstrated leadership, teamwork, and performance under pressure
